O Imp. Monte Agnese

The map is a detailed topographic representation of the Monte Agnese region. It features contour lines indicating elevation, with peaks such as M. Agnese (90.98m) and M. Carrù (87m). The coastline is clearly marked, showing the proximity to the sea. Major roads, including the Strada Statale 127 bis, are depicted. Several settlements are labeled, including Domu Galante, F. la Punta Moro, and various 'Nuraghe' sites. The 'Impianto Monte Agnese' is highlighted in yellow, and the 'Acquedotto Integrativo di Alghero' is also marked. The map includes various geographical features like 'Cava di ghiola' and 'C. Angelo custode'. The title 'O Imp. Monte Agnese' is prominently displayed in red at the top left.
